Fourth of July In (and around) the City

This Fourth of July the fireworks aren't the only attraction in New York. Whether you want to spend your Friday off drinking, dancing, sailing, or eating, one of these unique events will make for a memorable Fourth. Plus, many will provide you with spectacular views of the famed Macy's display.

Rooftop Events

Also in midtown is the **Spyglass Rooftop Bar** on the 22nd floor of the new Archer Hotel (*47 West 38th St.*) The party starts at 4:30 and when the sun sets you'll be able to glance over to the Empire State Building as it lights up red, white, and blue. Pair specialty cocktails with light fare from David Burke Fabrick.
