THE 12 BEST NEW BARS IN NEW YORK CITY

You know all about the [best new places to eat in NYC](#), but you *don't* know all about the best new places to *drink* in NYC. Or at least you didn't until you read this: a list of the 12 best new places to booze immediately after you've finished making spreadsheets for the day (or whatever people do at regular jobs that don't let you drink at your desk).

Spyglass Rooftop Bar

Garment District

This rooftop bar on the 22nd story of the Archer Hotel offers you incredibly close views of the Empire State Building, indoor and outdoor space, and cocktails like the Empire State with gin, St. Germain, ginger, and basil, or the First Crush with Cognac, green Chartreuse, Campari, sweet vermouth, and not Carmen Electra.
