Unlikely couple

MARION Cotillard (above) got a surprise visit from an old friend after her New York Film Festival premiere of "Two Days, One Night." **Don Johnson** strolled into the Spyglass Rooftop at the Archer Hotel, and when guests including **Darren Aronofsky** and **Debra Winger** asked how he knew Cotillard, he joked in front of the amused actress, "We were married briefly." Film fans at the Dior Beauty/Cinema Society bash also flocked to the **Dardenne** brothers (**Jean-Pierre** and **Luc**), who directed the film.
